3) Hampshire County Councillors Report

A report was circulated prior to the meeting.

- a. Any Lordswood disputes- direct to NAK and his team as the Parish Council has no jurisdiction
- b. Road pothole repairs- ongoing
- c. Hampshire waste and recycling centres- Announcement by the Government that charges for DIY waste at Council tips are being abolished. The disposal of DIY waste, such as soil, rubble, asbestos and gypsum boards, costs >£1m so HCC will continue to charge for disposal. DIY waste was not previously classified as household waste, and they require specialist processing. The fees HCC currently charge to manage this waste helps to cover these costs. The decision needs secondary legislation, so HCC do not as yet know the start date for free disposal. Bags taken to the sites may be required to be opened prior to disposal to check for recyclables.
